

BKPM
Indonesia Investment
Coordinating Board

invest in
remarkable
Indonesia

The Government of Indonesia encourages private sector participation in infrastructure development through Public Private Partnership (PPP) scheme.

BKPM in collaboration with Indonesia International Infrastructure Conference and Exhibition (IIICE), and supported by Ministry of Energy and Mineral Resources, Indonesia Toll Road Authority and Municipal Government of Bekasi, West Java, cordially invite you to attend:

Market Sounding of Indonesia's PPP Infrastructure Projects

Date : Friday, 6 November 2015

Time : 08.00 - 14.30

Venue : Cendrawasih Room, Jakarta Convention Center
Jl. Gatot Subroto, Jakarta, Indonesia

The event will provide opportunities to discuss on the ready-to-offer investment projects in electricity, toll road, and water supply infrastructure projects. We highly appreciate your availability in attending this market sounding event.

Thank you for your attention

Supported by:

Ministry of Energy and Mineral Resources

Indonesia Toll Road Authority
Ministry of Public Works and Housing People

Municipal Government of Bekasi
Province of West Java
