Hosted Buyer Application - Limited to 100 CTO's

NBCSS'15 - National Broadband & Cyber Security Symposium, is designed to bring all key stakeholders from the Telecommunication, Media & Information Technology industries to accelerate the implementation of the IBP - Indonesia Broadband Plan, created by KP3EI team at the Ministry of National Planning Agency. In the Symposium, government stakeholders, the private sector and academic leaders from Indonesia come together to formulate plans for rapid deployment of the Indonesia Broadband Plan and discuss the critical issues faced by Cyber crime.

The Symposium will provide an unparalleled opportunity to hear the the latest technology updates, network with key decision makers and be ahead of the curve **as Indonesia ramps up the deployment of meaningful broadband ecosystems.**

See the full programme at www.connectindonesia.net.

TERMS AND CONDITIONS

- Submission of this form indicates applicant's interest in attending Connect Expo Comm Indonesia 2015 as one of 100 hosted buyers. Applications will be reviewed and applicants confirmed at the sole discretion of the organizers.

Areas of Interest

Please choose from the following by (tick) the box.

APPLICATION AND SERVICES

- Augmented Reality
- OSS / BSS
- Business Analytics
- Business Intelligence
- Call Centre
- Content Management
- CRM
- CTI
- Database Management Systems
- Document Management Systems
- eGovernment
- Enterprise Applications
- ERP
- Enterprise Mobility Solutions
- M-Commerce
- M-Health
- Managed Services
- Mobile Internet
- Multimedia Communications and Services
- Portal Software
- Provisioning Systems
- RFID
- Service Activation Systems
- Social Media / Social Networking
- Supply Chain Management
- Web Services

CONSULTANCY / PROJECT MANAGEMENT

- Disaster Recovery
- Education and Training
- Green IT / Telecom
- High Availability Systems
- Outsourcing Services
- QoS Management Systems
- Services and Consulting System Integration

INTERACTIVE ENTERTAINMENT

- 3D
- Applications Bundle
- Applications Development
- Billing
- Content Design and Creation
- Content Acquisition and Distribution
- Messaging Solutions
- Mobile Advertising / Marketing
- Mobile TV

IP SERVICES

- Internet Telephony
- Soft switches
- VoIP
- Web Hosting Services

NEXTGEN CONNECTED SERVICES

- Broadband Infrastructure Solutions Provider
- Conditional Access Technologies
- Content Acquisition and Distribution
- Content Delivery Networks (CDN)
- Encoding
- Hardware
- IPTV Solutions / Applications / Middleware
- OTT Services
- Set-Top Boxes
- Video Processing Technologies

MOBILE / WIRELESS

- 3G / 3.5G / LTE / 4G
- GSM
- Intelligent Networks
- Machine to Machine (M2M)
- Mobile Communication Systems
- Mobile Data Networks
- Mobile Phones and Accessories / Smartphones
- Mobile VOIP
- Near Field Communication (NFC)
- PMR
- Small Cells / Femtocell
- SMS / MMS
- UMTS
- WiFi / WiMAX / WLAN
- Wireless Broadband
- Wireless PABXs

NETWORK INFRASTRUCTURE AND SERVICES

- ATM Communications Products and Services
- Broadband Networks
- Cable Laying Equipment and Services
- Cabling Products and Services
- Coaxial Systems and Equipment
- Connectors and Connecting Systems
- Converters / Inverters

- Carrier Ethernet Cloud Computing
- Data Transmission and Receiving Equipment
- Energy and Power Systems
- Fiber Optic Cabling Systems, Products and Services FTTx
- Gateways
- Hubs
- LAN / WAN
- Network Analyser
- Network Inventory Systems
- Network Management Systems
- Network Operating Software / Systems
- Network System Planning and Design Next Generation Networks
- Optical Core, Metro and Access Infrastructure Equipment
- Optical Routers and Switches
- QoS
- Structured Cabling Products and Services
- Switches and Routers
- Transmitters and Receivers
- VPN

PERIPHERALS / COMPONENTS

- AC / DC Power Systems
- Amplifiers
- Antennas, Aerials, Masts and Towers
- Batteries and Battery
- Chargers
- Chipsets / Semiconductors
- Enclosures, Cabinets and Cable Racks
- Fiber Optic Assembling and Connectors
- Lightning Protection Equipment
- Modems and Multiplexers
- Optical Multiplexers
- Power Distribution Units
- Repeaters
- Servers
- UPS

SATELLITE

- Earth Station Systems
- Microwave Communication
- Mobile Satellite
- Satellite Broadcast
- Satellite Communications
- Satellite Launch Services

- Satellite Mobile Phones
- Satellite Operators
- Satellite Service Providers
- Uplink / Downlink Equipment / Services
- VSAT Equipment / Services

SECURITY

- Antivirus
- Cloud Security
- Data Security
- Firewall
- Fraud Management Systems
- Mobile Security Systems
- Public Key Infrastructure
- Security Systems and Services

STORAGE

- Data Centres / Colocation Centres
- Storage Systems
- Virtual station
